Requirements of a Student Organization

Registered Student Organization Requirement

To keep an organization’s registration current and in good standing, registration must be renewed on an annual basis with LSU Campus Life. This renewal consists of updating the roster of current officers or representatives, the advisor, and any additional relevant information.

To remain in good standing, LSU Campus Life is requiring student organizations to attend two (2) Involvement on the Geaux workshops each semester (fall and spring). Those events will be shared via TigerLink and with student leaders during the in-person training.

*Note: Neglecting to complete registration renewal and completion of Involvement on the Geaux workshops will result in the withdrawal of all privileges extended to the organization.*

Registration Process for Current Organizations

To renew an organization’s registration, the organization must complete the following:

- Complete the re-registration/renewal application via TigerLink
- Update the roster in TigerLink.
- Require one organization officer to complete the in-person training workshop.
  - Organizations that elect leadership at the end of the spring semester must complete the training during training offerings in the fall semester.
  - Organizations that elect leadership at the end of the fall semester must complete the training during training offerings of the spring semester.

- **All organizations must send representatives to a fall student leader training workshop.**

**IMPORTANT UPDATE:**
Beginning July 1, 2016, student organizations must inform Campus Life of financial practices. In the re-registration/renewal application within TigerLink, organizations are asked to provide details on the following items:

- Name of the banking institution
- Most recent bank statement
Financial practices are a required portion of the annual renewal/registration process. Organizations that do not provide the required information by September 16, 2016 will be ineligible for renewal/registration. As a result, those organizations will be listed as 'frozen' within TigerLink.

**Registration Process for New Student Organizations**

Students wishing to create a new student organization at LSU, must complete the following steps.

- Select an organization name.
  - No organization shall register a name identical to or closely similar to the name of a currently registered student organization nor can the Louisiana State University or LSU precede any organization name;
- Obtain five (5) students that meet the officer requirements to serve as founding members.
- Have your advisor submit an Advisor Agreement via TigerLink

- Name of the banking institution
- Most recent bank statement
- Copy of the bank signing card

Financial practices are a required portion of the annual renewal/registration process. Organizations that do not provide the required information by September 16, 2016 will be ineligible for renewal/registration. As a result, those organizations will be listed as 'frozen' within TigerLink.

*Please allow up to ten (10) business days for application reviews.*

**Responsibilities of Registered Student Organization**

As an LSU registered student organization, your group has certain rights and privileges. With these privileges come certain responsibilities to maintain your organization’s registered status.

Those responsibilities include:

- Each organization will comply with federal, state, and local laws and codes.
- Each organization is responsible for the activities and/or actions of non-student members and guests while participating in any function sponsored by that organization.
- Organizational information must be kept current with LSU Campus Life.
- All organizations are responsible for the planning, supervising, and ensuring the safe operations of each of their programs.
- All organizations should function using sound financial management and are responsible for any debts that may occur, including those to LSU.
- The organization must maintain an advisor at all times.
Student Organization Fundamentals

Definition of a Registered Student Organization

In this document, when the term organization or student organization is used, it is to be interpreted to mean officially registered student organizations.

Constitution Requirements
An organization’s constitution is the document containing basic rules relating to the organization. Organizations governed by a national organization may submit the national organization’s constitution as well as local bylaws that include LSU’s requirements for basic policies, membership, officers, and amendments. Organizations whose national organizations do not allow them to adopt local bylaws must submit a statement agreeing to follow LSU’s requirements for basic policies, membership, officers, amendments, and registration renewal. For assistance, review the constitution writing guide.

Basic Policies
Section 1. The organization shall be non-commercial.
Section 2. The name of the organization or the names of any members in their official capacities shall not be used in connection with a commercial concern.
Section 3. The organization shall cooperate with Louisiana State University to support the improvement of education in ways that will not interfere with administration of the University.
Section 4. The organization may cooperate with other organizations and agencies, but persons representing the organization in such matters shall make no commitments that bind the organization.
Section 5. The organization agrees to abide by all University polices and local, state and federal laws.

Membership
Section 1. Any LSU student, faculty member or staff member who subscribes to the purpose and basic policies of the organization may become a member of this organization, subject only to compliance with the provisions of the constitution.
Section 2. Active membership is restricted to LSU students. Associate membership is restricted to LSU faculty and staff. Associate members are non-voting members.
Officers and Their Election

Section 1. To be eligible to be elected to, appointed to, or to hold an office or be a standing committee chairperson, a student must maintain the following criteria:

A. Undergraduate students must be enrolled as full-time students at Louisiana State University (Baton Rouge); graduate students must be enrolled as part-time (with at least 6 hours) or full-time students at LSU;

B. Undergraduate students must have at least a 2.0 cumulative GPA, 3.0 for graduate students, and be in good academic standing with the University;

C. Students must not be on disciplinary probation or deferred suspension. This includes newly elected officers, as well as continuing officers. Students may continue organizational membership if on disciplinary probation.

D. Students must meet all other academic standards established by the student organization and included in the organization’s constitution and/or bylaws.

E. Graduating seniors who are not registered full-time may still hold office in a student organization during the semester in which they are scheduled to graduate.

Amendments

Registered student organization constitutions are subject to the approval of Campus Life. Registered student organizations must include the following language in italics in their constitutions about amendments: “This constitution may be amended at any regular meeting of the organization by a two-thirds vote of the members present and voting, provided that notice of the proposed amendment shall have been given at the previous meeting and that the proposed amendment shall be subject to approval of Campus Life.”

Offer Requirements

Each organization President serves as the primary liaison to the University. Additional positions required for each group include: Vice President, Secretary, and Treasurer.

The officers must be listed on the organization’s roster through TigerLink. The officers listed on the roster are the only students who are allowed to represent the organization in official business with the University. Only the officers are permitted to make reservations, register events, and conduct other business on behalf of the organization.

In order to serve as an officer, students must meet the following criteria:

- Undergraduate students must be enrolled as full-time students at Louisiana State University (Baton Rouge); graduate students must be enrolled at least part-time (with 6 hours)
- Undergraduate students must have at least a 2.0 cumulative GPA (graduate students must have at least a 3.0) and be in good standing with the University;
- Students on Disciplinary Probation with Restriction are ineligible to hold a position of leadership in a registered student organization. This includes newly elected officers, as well as continuing officers.
- Students who are on Disciplinary Probation without restriction are eligible to hold a position of leadership in a registered student organization.
- Students must meet all other academic standards established by the student organization that are included in the organization’s constitution and/or bylaws.
- Graduating seniors who are not registered full-time may still hold office in a student organization during the semester in which they are scheduled to graduate.

Eligibility requirements will be verified by LSU Campus Life. Individuals and the organization advisor will be contacted if there are ineligible students listed to serve.
Membership Requirements
Registered student organizations must have at least 5 members in order to maintain active status. Membership is restricted to LSU (Baton Rouge) students, with the exception of Greek organizations, faculty, and staff. Active membership is restricted to LSU students. Associate membership (non-voting) is restricted to LSU faculty and staff.

Advisor Requirements
All registered student organizations are required to secure and maintain an advisor who is a current employee (faculty or administrative staff) at Louisiana State University. Organization advisors are integral to the success of the organization and the development of its student leaders.

In order to serve as an advisor, faculty or administrative staff must submit an online Advisor Agreement via TigerLink, which states the required and suggested roles of an advisor.

Note, those employed part-time under an academic program (graduate assistantship) or internship are not eligible to serve in the role of advisor.

Advisor Changes:
A change of advisor or changes in the advisor’s contact information requires the submission of an updated Advisor Agreement signed by the individual in the advisor role. If an advisor resigns, it is the organization’s responsibility to inform Campus Life of this change and to find a new advisor for the organization. Student organizations are allowed a period of one month (not including the summer) to find a new University advisor.

Advisor Resources
Lunch Break: Advisor RoundTable Discussion:
Advisor Round Table Discussion was created for our advisors to feel comfortable speaking with other colleagues about their experiences with their student groups with twist. Each Round Table is themed and open to all advisors to discuss current trends and topics that impact our student organizations on a daily basis.

Note: A formal training for advisor is currently under construction. Once completed we will provide additional information.

Student Organization Status
LSU Campus Life uses different terms to describe the status of student organizations. Student groups at LSU fall into one of the following status categories.

- **Active** - Active status is defined as the status of an organization that has completed all requirements to start a new organization or maintain active status. Student organizations on active status are listed on TigerLink and may take advantage of the benefits offered to registered student organizations at LSU.

- **Inactive** - Inactive status is defined as the status of an organization that has not completed the requirements to maintain active status with Campus Life. Student organizations on inactive status are removed from all registered student organization lists and are not permitted to utilize any of the benefits of being an active student organization (such as participating in other student organization events, hosting events, fundraising, seeking funding from campus entities, reserving
rooms or services and enjoying other benefits of being recognized as a student organization at LSU). Inactive organizations can become active again by contacting the Campus Life Office.

- **Probation** - Probationary status is defined as the status of an organization that has been removed from active status for violations of Campus Life policies, University policies, and/or local, state, and federal laws. The length and terms of probationary status vary. Student organizations on probation may be required to complete certain requirements before being placed back on active status.

- **Provisional** - Provisional status is granted from the time a new student organization application is submitted (or re-activating a previously inactive student organization) until the organization completes Student Organization Leader Training and submits all required documents. This allows provisional student organizations to secure 5 founding members, hold two meetings in the LSU Student Union or an academic classroom, in which they should hold elections, write a constitution, and secure a faculty or staff advisor. The constitution and advisor agreement must be turned in before active status is awarded. If all founding members do not complete the training or submit all required documents within 60 days, the application is void. No events or fundraising activities are allowed while a student organization is on provisional status.

- **Temporary** - Temporary status is defined as the status of an organization that exists for a period no longer than one semester that was formed to support a specific goal such as a political campaign or natural disaster relief.

Marketing
Guidelines on Distribution of Printed Material on Campus
Distribution of literature and other printed material on campus is governed by several LSU Policy Statements, including PS-82 on Use of LSU Facilities and Premises and PS-06 on Solicitation of Advertisement. Because distribution of printed material impacts several different LSU offices and programs, these guidelines have been prepared to clarify how these policies should be interpreted and applied by the various offices involved. These Guidelines do not replace or modify the formal policies, but are provided to assist LSU officials with the implementation of those policies.

Principle
LSU is committed to the First Amendment and the free speech values it embodies. As an institution of higher education, LSU recognizes the importance of free and open debate on all matters. Distribution of printed material on campus raises a number of issues that are unrelated to the content of the message being conveyed by that printed material. LSU has an obligation to take reasonable steps when appropriate to protect its students, faculty, and staff from invasions of privacy, impediments to safety, and interference with the University’s educational, research, and service missions. To protect those interests, LSU reserves the right to impose content-neutral and reasonable time, place, and manner restrictions on the distribution of printed material on campus.

A. General Rules

1. Posters, fliers, and bulletins may not be placed on any LSU buildings, doors, walls, utility poles, trees, shrubbery, or any other surface. Posters, fliers, and bulletins may be placed on designated bulletin boards in accordance with any rules established by the department or office responsible for the bulletin board.

2. No printed material may be disseminated inside of or in the area immediately surrounding the Middleton Library and the Quad and inside of or on the steps of the Student Union, as shown on the attached map. Permission may be sought to place unattended distribution racks for printed material in those areas, subject to review as described in paragraph 3.

3. Distribution of printed material on other areas of the LSU campus is subject to reasonable, content-neutral regulation of time, place, and manner to protect the interests of LSU and its students, faculty, and staff, including, but not limited to, vehicular or pedestrian traffic congestion, construction activities, space available or required, parking needs, event security, litter mitigation, landscaping limitations, emergency contingencies and public safety considerations, the prevention of obstreperous distribution of literature, unwelcome hawking
and face-to-face solicitation, the frequency or duration of requested use, the volume or frequency of other requests or reservations, the university’s own planned use of its facilities for athletic or other events, and potential for interference with the university’s educational mission.

4. All distribution of printed material on the LSU campus is subject to any review and approval requirements set forth below.

5. No chalking allowed at any location on campus.

B. Review and Guidelines

Distribution of printed material on campus is subject to the following review and approval process.

1. Non-students
   a. Non-students include any person who is not an LSU student and any entity other than recognized student organizations. It also includes students who are acting on behalf of or for the benefit of any non-student.
   b. The Office of the Vice President for Finance & Administrative Services & CFO oversees distribution of printed material on campus by non-students and is responsible for enforcing LSU’s policies in this area as they pertain to non-students.
   c. Non-students must obtain approval from the Office of the Vice President for Finance & Administrative Services & CFO before distributing printed material on campus.
   d. In general, the following guidelines will apply to distribution of printed material by non-students. However, the Vice President for Finance & Administrative Services & CFO shall have authority to impose additional requirements or waive these guidelines in order to promote the best interests of LSU.
      i. Newspapers and magazines distributed free to students may be placed in newspaper racks at areas designated by LSU, in consultation with the publisher.
      ii. Other than newspapers and magazines, distribution of advertising of any sort by non-students is not allowed.
      iii. No fliers, brochures, cards, or other printed material may be placed on car windshields.
      iv. Outside of the LSU Bookstore and similar locations, no printed material may be offered for sale without express approval pursuant to this section B.1.

2. Students and student organizations
   a. The Office of Campus Life oversees distribution of printed material on campus by students and recognized student organizations and is responsible, with appropriate involvement from other components of the LSU Division of Student Life & Enrollment, for enforcing LSU’s policies in this area as they pertain to students and recognized student organizations.
   b. Recognized student organizations must obtain approval from the Office of Campus Life before distributing printed material on campus.
   c. Individual students acting solely on their own behalf do not need prior approval to distribute printed material to other individuals on campus by personally offering to hand it to them, outside of the areas designated in section A.2, above.
d. Individual students acting solely on their own behalf must obtain prior approval from the Office of Campus Life before distributing material in any other manner.

e. In general, the following guidelines will apply to distribution of printed material by students. However, the Vice President for Student Life & Enrollment shall have authority to impose additional requirements or waive these guidelines in order to promote the best interests of LSU.

i. No fliers, brochures, cards, or other printed material may be placed on car windshields.

ii. Advertising for student events, groups, and activities will generally be permitted, subject to reasonable restrictions to protect the interests of LSU as described in section A.3.

iii. No printed material may be offered for sale without express approval pursuant to this section B.2.

Promotional Items

Office of Finance and Administrative Services
(225) 578-3386

If promotional items are sold or distributed, the organization must seek approval from Finance & Administrative Services. The promotional item design must be emailed to trademark@lsu.edu for approval before Campus Life/Greek Life will approve the event. Student organizations may use the LSU logo or other indicia if approval is granted from Finance & Administrative Services (LSU’s Policy Statement on the Use of University Name and Indicia, PS-93). This approval includes, but is not limited to, T-shirts, hats, calendars, decals, banners, or any other apparel or non-apparel items. The approval is obtained by emailing trademark@lsu.edu.

Use of University Name and Indicia

Effective August 28, 1995

The Trademark Licensing Office within the Office of the Vice President for Finance & Administrative Services promotes, protects, and regulates the University's name and identifying marks. These marks include the name, logos, seal and all identifying marks, symbols and slogans associated with LSU. The University has registered its marks with the U. S. Office of Patents and Trademarks and the Louisiana Secretary of State to protect the integrity and identity of the marks. Proper use of LSU’s name and marks stimulates public awareness and support for the University. Prior written permission is required through the Trademark Licensing Office for use of the University’s name or marks for anything other than official University purposes. The following applies to student groups, organizations, and sport club teams.

USE OF UNIVERSITY NAME:

A registered student organization or sport club team may use the University name in its title, publications or letterhead to show its status as a registered student organization at LSU, but may not use the name in a manner as to create confusion between it as an organization and the University itself nor in a manner that would in any way constitute an endorsement, approval or underwriting of any organization, product, activity, service or contract by Louisiana State University.

The general rule is that the University name cannot precede the name of the student organization. Examples include:
Permissible: ABC Club at Louisiana State University, ABC Club at LSU
Not Permissible: Louisiana State University ABC Club, LSU ABC Club

One exception to the above rule is for Sport Clubs who compete nationally against other universities. In order to identify this unique student organization subset, the following examples will apply to identify the competing Sport Club:

LSU Sport Club, Sport Club at LSU, Louisiana State University Sport Club, Sport Club at Louisiana State University

If a Sport Club uses the word “team” within its title, it may only do so when the words “Sport Club” precede the word “team” in order to separate Sport Clubs from Intercollegiate Athletic Teams:

Permissible: ABC Sport Club Team at Louisiana State University, ABC Sport Club Team at LSU, LSU ABC Sport Club Team, Louisiana State University ABC Sport Club Team
Not Permissible: LSU ABC Team, Louisiana State University ABC Team

The correct reference to LSU is by Louisiana State University or LSU. "Louisiana State" is not acceptable.

USE OF UNIVERSITY MARKS:
Registered student organizations or club teams may **not** use the University seal or logos on letterheads, business cards or other identifying materials. A sport club team may, however, utilize a University mark as part of its uniform, provided the item is not issued or made available by sale or otherwise to anyone other than team members. Registered student organizations may receive permission to utilize a University mark for special use, such as a commemorative item that is for members use only. Contact the Trademark Licensing Office for review of such proposed use.

Should an item bearing the registered marks of the University be sold to anyone other than the membership of a registered student organization or sports club team, it becomes a commercial use of the mark and is subject to a license agreement. For example, if the ABC Club at LSU decides to use the marks of the University on its uniform, it may do so only subject to approval by the Trademark Licensing Office. If the club decides to sell a t-shirt bearing the University marks as a fund raiser, the manufacturer of the item **must** be an LSU licensee. The Trademark Licensing Office **must** approve all artwork and designs, as well as the quality of the product prior to its distribution. Please email trademark@lsu.edu with all proposed designs and any questions. A list of licensed screen printers can be found at www.LSU.com.

**Time Restrictions for Events**
Bands and amplification must not begin until after 4:30 p.m. Monday-Thursday and after 3:30 p.m. on Friday. Bands and amplification must cease before midnight if outdoors on Friday and Saturday. Student organization members should also keep in mind that word-of-mouth and social media outlets like Facebook and Twitter are some of the greatest ways to publicize events! When publicizing events, please refer to the policy on the “Distribution of Printed Material on Campus” outlined in the Student Organization Policy Manual.

- Name of the banking institution
- Most recent bank statement
- Copy of the bank signing card

Financial practices are a required portion of the annual renewal/registration process. Organizations that do not provide the required information by September 16, 2016 will be ineligible for renewal/registration. As a result, those organizations will be listed as ‘frozen’ within TigerLink.

Sponsorships (Corporate)
Registered Student Organization and Approved Vendors/Sponsors Fundraising Procedure
1. Submit vendor/sponsor list to Finance and Administrative Services at sponsorrequests@lsu.edu for approval. When determining approval of vendors/sponsors, Finance and Administrative Services will generally apply the guideline that 51% of vendor/sponsor restaurant sales must be from food sales. Donations of money, services or products from an approved vendor or sponsor cannot include the promotion, sale, or service of alcoholic beverages.
2. Finance and Administrative Services requests the submission be at least 10 business days prior to the proposed event.
3. If approval from Finance and Administrative Services is received, the registered student organization provides the vendor/sponsor an Off-Campus Food and Beverage Hold Harmless Agreement to complete and provide a copy to the registered student organization.

Student Government Funding
Student Government offers a variety of funding opportunities. Student organizations are eligible to apply for funding from the Organizational Relief Fund (ORF), Programming Support and Initiatives Fund (PSIF), and from Student Senate. The Student Government Programming, Support, and Initiatives Fund (PSIF) was created to support new student organizations, organizations hosting conferences on campus, and organizations who are hosting late-night programs for students. The Organizational Relief Fund (ORF) is designed to help defray the travel costs of full-time undergraduate students (graduate students apply through the graduate school) traveling to conferences, conventions, or competitions which are educational, academic, or professional in nature. Finally, the Student Senate may provide additional funding for an organization’s programs, conventions, or competitions. Details on each of these funds can be found at http://students.lsu.edu/sg/initiatives/funding. Funding requests to Student Government should be submitted no later than 30 days prior to the event.
Banking
Registered student organizations who collect member dues, host events, or travel may need to acquire a checking account. The process for applying for a checking account is listed below. Other avenues for managing funds are available through LSU’s Agency or Miscellaneous Other (MOT) accounts. More information about each account is provided below.

Checking Accounts
Student organizations in need of a checking account or LSU Agency Account must first apply for a tax identification number through the Internal Revenue Service (IRS Form SS-4). Organizations apply online at http://www.irs.gov. Once the tax identification number has been assigned, groups must fill out the appropriate forms with a local bank to receive the checking account. Registered student organizations at LSU are encouraged to consider the process of officer transition from year to year. Funds in a bank account can be unavailable to the organization when officers change each year the signature authority for the bank account has not been updated with the bank.

Organization that are looking to be tax exempt for fundraising purposes must file a 501c7 form with the IRS. Louisiana State University will no longer provide tax exempt documentation for fundraising purposes pertaining to student organization fundraisers.

LSU Agency Accounts
Agency accounts are maintained for student organizations which make use of university services, but are not sponsored by, or closely associated with, the university mission. These accounts are for groups or organizations which hold activities on the campus, or have an officer who is an employee of the university that is authorized to acquire goods or services through the university on behalf of the organization. In order to keep the integrity of the organization separate from the university, no revenue can come from university funds. All sources of revenue must come from membership dues, registration fees, donations, earnings of the organization, etc. Off-campus vendor payments are made by submitting the invoice and proper documentation to Accounts Payable. Since the university is not responsible for reporting W-2 or 1099 income on agency funds, payments for salaries or wages are not allowable expenses.

The University accounting system can be used for internal transactions (ITs) for catering, housing, meeting room rental, supplies, etc. To set up an Agency Account form # AS502 Request for Agency Account must be submitted to the Office of Accounting Services. The organization name, taxpayer ID number (if one exists, there is no need to apply for a taxpayer ID number to use an Agency Account), purpose of account, and source(s) of funding should be provided. Specific guidelines for the disposition of any excess funds at the conclusion of the group activity should be provided (i.e.: return to national office or forward to next host institution)

All requests for agency accounts are reviewed in detail by Campus Life prior to approval. The nature of the activity and source of funds are carefully examined. Any factors that are judged to preclude the use of an agency fund will result in the denial of the request. Questions regarding the establishment and/or use of agency accounts should be directed to the Office of Accounting Services, (225) 578-3321.
LSU Miscellaneous Other (MOT) Accounts
MOT accounts are used by LSU departments to bill non-LSU departments for services or materials. LSU departments (e.g. Facility Services, University Stores, Graphic Services, Telecommunications, etc.) post charges to MOT accounts using departmental transaction (DT) accounting entries which are then submitted to the Bursar’s office Vault. The departments also send copies of the invoices which detail these charges to the Accountant Technician in the Bursar’s Office. At the beginning of each new month, the Accountant Technician prints MOT bills, attaches invoices for new charges, and mails the bills and invoices to MOT customers.

MOT customers mail payments to the Bursar’s office upon receipt of the bill, and the payments are posted against the MOT account balances. A student organization is one example of a non-LSU department which would be billed through an MOT account. Once a student organization requests services from an LSU department, the department will contact the Bursar’s Office to request creation of an MOT account.

Fundraising
Fundraising by student organizations is allowed at LSU, in accordance with University policies and processes, local and state laws, and the LSU Code of Student Conduct. Fundraising is a type of event, therefore the Event Approval & Registration Policy also applies.

Campus Life defines fundraising as any event, program, or activity in which money or items are collected for the purpose of raising funds for the organization, a philanthropy, or donating goods to charities. Some examples include donations, ticket sales, sale of items, or collection of goods (i.e. canned food drives with donations to a food bank).

The Campus Life staff is happy to assist student organizations with questions, to offer suggestions, and to help student organizations comply with the fundraising approval process. To request a meeting, call (225) 578-5160 or email involvement@lsu.edu.

To be approved, fundraisers must comply with the following:
- The event must be submitted for approval online via TigerLink at least 10 business days prior to the fundraiser.
In addition to submitting the event for approval, student organizations must gain approval for the use of university facilities prior to gaining approval for the fundraiser from Campus Life/Greek Life. Approval of the fundraiser and event does not constitute approval of space. Sometimes the reservation of space is tentative, pending the approval of the fundraiser. Once the fundraiser is approved, Campus Life/Greek Life communicates with the venue to confirm the reservation of space.

Fundraisers involving food must comply with LSU’s Policy Statement on Food Service (PS-60), which determines approved venues and catering stipulations. Self-catering (defined by PS-60 as, “the preparation and serving of food, whether purchased as raw food or prepared food products, by members of an LSU department or student organization or other organization for themselves and guests with no involvement of a caterer in the preparation and serving of food within LSU facilities and premises) is not allowed for fundraisers, unless in compliance with PS-60. PS-60 refers to Greek houses, religious centers and the International Cultural Center as authorized to self-cater for members and guests, as long as the food preparation area complies with all applicable local and state health, sanitation, and safety standards. All other fundraisers involving food must utilize an LSU Licensed Caterer in order to be approved.

Fundraisers with food cannot take place anywhere in or around Free Speech Alley/Plaza. (Per Finance and Administrative Services, because of contractual obligations with the dining vendor of the University)

Student organizations may not promote, sell, or serve alcoholic beverages at any fundraising activity per LSU’s Policy Statement on Serving, Possessing and Consuming of Alcoholic Beverages on Campus (PS-78).

If promotional items are sold, the organization must seek an additional approval from Finance & Administrative Services. The promotional item design must be emailed to trademark@lsu.edu for approval prior to gaining approval for the fundraiser from Campus Life/Greek Life.

Student organizations may use the LSU logo or other indicia if approval is granted from Finance & Administrative Services (LSU’s Policy Statement on the Use of University Name and Indicia, PS-93). This approval includes, but is not limited to, T-shirts, hats, calendars, decals, banners, or any other apparel or non-apparel items. The approval is obtained by emailing trademark@lsu.edu.

If the organization is interested in soliciting off-campus businesses or organizations for donations of money, services or products, the organization must first seek approval from Finance & Administrative Services. A list of all potential donors/sponsors must be emailed to sponsorrequests@lsu.edu for approval prior to gaining approval for the fundraiser from Campus Life/Greek Life.

Campus Life defines an auction as the process of buying and selling goods or services by offering them for bid (silently or otherwise), and then selling the item to the highest bidder. Auctions are allowed as fundraisers when entire net proceeds of the auction are devoted to a charitable or educational organization (per Louisiana Revised Statute 4:707.B).

Fundraising on campus by student organizations is prohibited on the day of home football games (LSU Football Fan Guide 2014).

Off-campus fundraisers do not require approval or registration (Office of Risk Management, August, 2011).
Fundraiser Registration
Steps to register an On-Campus Fundraiser:

STEP ONE  Complete and submit an online event request through TigerLink at least 10 business days prior to the date of the event (or 15 business days for events with medium to high risk). Only members with “group admin” status can submit event requests. Click here to login to TigerLink (with your MyLSU ID and password) to submit an event request.

- Depending on the event, additional approvals from university departments may be needed. These approvals are needed prior to Campus Life/Greek Life approving any fundraiser. See below for more information on which department approves specific organization events.
- These forms are reviewed by the university advisor. Greek organizations must have the chapter advisor review the event.

STEP TWO  Campus Life/Greek Life staff reviews the event request.

STEP THREE  Campus Life/Greek Life staff approves the fundraising event if it meets all requirements, and then notifies the student organization. Once the event has been approved, the online software will send an automated email to the individual who submitted the event request.

- If the event does not meet the requirements, Campus Life/Greek Life requests more information or denies the event request.
- If the event is denied, the online software will send an automated email to the individual who submitted the event request.

STEP FOUR  If approved, the student organization hosts the event on campus.

University Policies

The most current iterations of the following policies can be found at http://sites01.lsu.edu/wp/policiesprocedures/policies-and-procedures/

(PS-1)
Equal Opportunity (PS-1) and Non-Discrimination
Effective February 5, 2013

Registered student organizations must be in compliance with all University policies as well as federal and state nondiscrimination and equal opportunity laws, orders, and regulations. A registered student organization may not discriminate against a member or prospective member on the basis of “race, creed, color, marital status, sexual orientation, gender identity, gender expression, religion, sex, national origin, age, mental or physical disability, or veteran’s status” (LSU’s Policy Statement on Equal Opportunity (PS-1)). Organizations protected under the First Amendment or social fraternities and sororities who have been granted status as a single sex organization with the IRS (501c7) should contact Campus Life to discuss how this policy relates specifically to them.

(PS-52)
**Conduct and Due Process for Student Organizations**

Conduct standards at the University are set forth in writing, in order to give students general notice of prohibited conduct. These rules should be read broadly and are not designed to define prohibited conduct in exhaustive terms. No rule, no matter how carefully worded, can cover all eventualities completely. Beyond specific rules, student organizations should conduct themselves in accordance with the values and basic principles included in the LSU Commitment to Community. Student organization members, officers, and advisors are expected to know and abide by all regulations as student organizations and are subject to the expectations within the LSU Code of Student Conduct. LSU may initiate the accountability process for alleged policy or law violations by student organizations that occur on or off campus. The formal process is outlined under [LSU’s Policy Statement on Due Process (Student Organizations) (PS-52)](http://students.lsu.edu/saa/students/organizations) (below).

For more information regarding the ‘Student Organization Accountability Process Overview’, follow [http://students.lsu.edu/saa/students/organizations](http://students.lsu.edu/saa/students/organizations).

**Due Process for Student Organizations (Policy Statement 52)**

Effective February 26, 2003

**Purpose**

To establish a procedure by which the University will consider an alleged violation of University regulations by registered student organizations.

**Conduct Regulations for Student Organizations:** Officers and members of student organizations are expected to know and abide by all regulations for student organizations and for students in general.

Some registered student organizations are affiliated with state, regional, national, or international organizations. Many of these governing groups have developed position statements on hazing and other forms of misconduct. The University may report alleged violations of University regulations by student organizations to the organization’s governing body or affiliated organizations.

**Student Organizations and the Code of Student Conduct:** The University’s established procedure for considering alleged violations of University regulations by individual students is outlined in the Code of Student Conduct. The fact that alleged individual student misconduct grows out of participation in an activity sponsored or engaged in by a registered student organization does not eliminate the individual student’s accountability under the provisions of the Code of Student Conduct.

The fact that individual students are held accountable for actions taken while participating in an organization’s activity does not eliminate the accountability of the organization for its actions. Although the administrative procedure of the Code is not to be used to hear charges of misconduct against Registered student organizations, the University does hold student organizations accountable for acts or omissions taken by the organization that violate the misconduct provisions of the Code. [Visit here](http://students.lsu.edu/saa/students/organizations), for the full policy statement.

**Care Process**

LSU Cares is a Student Life & Enrollment initiative led by the Office of the Dean of Students dedicated to the well-being of students and promotion of a community that cares about each of its members.
The LSU Office of the Dean of Students offers an online reporting system to help students, faculty, and staff submit reports about:

- potential violations of the LSU Code of Student Conduct
- concerns regarding sexual misconduct and hazing
- concerns surrounding acts of bias or discrimination
- complaints or grievances
- concerns about students in crisis or distress

Please select the category below that seems like the best fit for your report. If you have questions about which form to use, contact Student Advocacy & Accountability at 225-578-4307 or send an email to dossaa@lsu.edu. You may also choose to contact the Academic Intervention Team (AIT), which provides timely and appropriate intervention for students facing circumstances that may impede their academic success.

**Peaceful Assembly**

Dean of Students/Campus Life - (225) 578-5160  
Revised July 24, 2006

The University acknowledges the right and privilege of individual students, groups of students, and registered student organizations to assemble peacefully on campus. The University may impose reasonable time, place and manner restrictions on the exercise of the right of peaceful assembly to ensure that the essential operation of the University or the rights and/or welfare of other members of the University community are not impaired, diminished or threatened. Gatherings for the purpose of expression of a position on campus, local, state, national or international issues, are protected under the First Amendment of the Constitution so long as they remain peaceful.

A peaceful assembly does not disrupt or interfere with the conduct of the operation of the University essential to the accomplishment of its lawful mission, infringe on the rights of other students, members of the faculty, administrators, other employees of the University, invited guests of the University, visitors to the campus or any other person; endanger the health, safety, or welfare of other persons on campus; result in damage or destruction of property; or violate a local, state or federal law.

Peaceful assemblies by students are not required to be scheduled or registered with the Office of the Dean of Students unless the event meets one or more of the following criteria:

1. The event will be held in a building on campus.
2. The event will utilize a designated area, site or location on campus reasonably adjacent to facilities that are regularly scheduled for use by the University.
3. The event will utilize a designated area, site or location on campus at which events are typically scheduled.
4. The event may reasonably require involvement of a service department of the University, e.g., the directing of traffic and/or parking, managing a crowd, the turning on of electricity or the providing of electricity to the site, marking of playing fields, blocking of streets, setting up stages or platforms, placing special trash receptacles in the area, providing tables and/or chairs and inspection and/or cleanup after the event.
5. Any event involving a table, display or any other structure.
6. Any event involving amplified sound or sound that is otherwise sufficiently loud to cause a disturbance.
7. Any event involving the distribution of food or beverages. (See PS-78 for events involving alcohol and PS-60 for events involving food.)
8. Any event that poses reasonable safety concerns.
9. Any event that will involve out-of-pocket costs to the University. (Any such costs must be reimbursed by the user).

Although the University does not require the registration and scheduling of events that do not meet one or more of the above criteria, students or student organizations who plan such events are strongly encouraged to schedule and register such events at least 10 days in advance with the Office of the Dean of Students. Receiving the advice and counsel of staff who routinely deal with such matters will help to navigate University resources, departments and policies, as well as the Code of Student Conduct. Events that do meet one or more of the criteria listed above, must be registered with the Office of the Dean of Students at least five days in advance, although more time is strongly recommended and in some cases may be necessary (e.g. events involving security require the organization to formally request it from LSU PD at least 10 days in advance).

Registered student organizations have certain privileges related to reserving space and utilizing Facilities Services (e.g. reserving tables, chairs, electrical set up). Greek organizations may register social events with Greek Life. All other activities meeting any of the above listed criteria must be registered with Campus Life. The University acknowledges the right of students to peaceful assembly. In the same spirit and in the interest of the protection of the rights of others, the University also asserts its right and duty to intercede if and when an assemblage ceases to be peaceful. Individual students and student organizations have the responsibility to exercise the right of peaceful assembly in a safe and prudent manner, and the University holds individual students and student organizations accountable for their actions while participating in such events on campus.

Prohibition of Hazing
Effective January 23, 2003

Purpose:
In accordance with the purpose and philosophy of Louisiana State University and the laws of the State of Louisiana, this policy is consistent with the belief that true fraternalism can be nurtured only in an atmosphere of social and moral responsibility, respect for human dignity, and adherence to the principles of true living-learning communities. This policy prohibits all forms of hazing, and holds that its practice is antithetical to the principles of LSU and incongruent with the responsibility of student organizations to provide constructive and educational experiences to their members. For the full definition of Hazing, please see Section 10.2.L. of the Code of Student Conduct.

No individual student, group of students or student organization shall conduct or participate in any activity, occurring on or off campus, which includes hazing. Hazing with or without the consent of the student being hazed is prohibited, and a violation of that prohibition renders both the person inflicting the hazing and the person submitting to the hazing subject to discipline.

Students who violate the University’s prohibition against hazing are subject to sanctions in accordance with the procedures outlined in the Code of Student Conduct. The sanctioning of individual members of a student organization in no way precludes the sanctioning of that organization, or the imposition of civil or criminal penalties.
Organizations that violate the University’s prohibition against hazing are subject to sanctions in accordance with the procedures outlined in Policy Statement 52. The sanctioning of a student organization in no way precludes the sanctioning of individual members of that organization, or the imposition of civil or criminal penalties.

Food Service within LSU Facilities and Premises (Policy Statement 60)
Effective August 18, 1997

LSU Dining has an exclusive right to provide dining services in the premises it has leased from LSU, and they are considered the sole source for catering services within the leased premises. Leased premises include: The 459 Commons, the 5 Dining Hall, Atrium Café in the Design Building, CC’s Coffee House in Hebert Law Center & Middleton Library, Einstein Bros. Bagels in the LSU Student Union, Faculty Club Restaurant, McDonald’s in the LSU Student Union, Outtakes at the 459 Commons, Pierre’s Landing between Taylor Hall and the Old Forestry Building, Smoothie King in the UREC, Subway in Foster Hall, and Take 5 at West Campus Apartments, and the Vet School Snack Bar.

Self-catering (defined by PS-60 as, “the preparation and serving of food, whether purchased as raw food or prepared food products, by members of an LSU department or student organization or other organization for themselves and guests with no involvement of a caterer in the preparation and serving of food within LSU facilities and premises) is not allowed for events, unless in compliance with PS-60.” PS-60 refers to Greek houses, religious centers and the International Cultural Center as authorized to self-cater for members and guests, as long as the food preparation area complies with all applicable local and state health, sanitation, and safety standards. All other events involving food on campus must utilize an LSU Licensed Caterer in order to be approved. Events with food cannot take place anywhere in or around Free Speech Alley/Plaza (per Finance and Administrative Services, due to contractual obligations with the dining vendor of the University). A list of licensed food caterers is available through the LSU Purchasing Office at (225) 578-2176 or online at http://www.fas.lsu.edu/purchasing. LSU assumes no liability for individuals performing self-catering but expects compliance with applicable health, sanitation, and safety standards. For the full policy statement, click here.

Food Trucks

Food trucks are not permitted on the campus of LSU. Food sales from a food truck location are prohibited. However, food trucks can be contracted by a student organization to give away food/beverage items as a part of that particular organization’s event as long as they are an approved LSU Licensed Caterer. Those details must be listed in the initial event request to LSU Campus Life, and must be approved as a sponsor by Finance and Administrative Services.

Travel
Traveling as a registered student organization can be a rewarding experience; professionally, academically and socially. To ensure a successful trip, pre-planning of all trips is encouraged. Student organization advisors are not required by Campus Life to travel with the organization; however, advisors may be required to travel on official trips by their academic department or college. Student organizations traveling with the assistance of LSU funds (such as funding from a department or Student Government) must first receive authorization to travel and purchase student trip travel insurance from the LSU Office of Risk Management. Student organizations not traveling with assistance of LSU funds must still purchase trip travel insurance. See details for the authorization to travel and use of personal vehicles below.

Authorization to Travel
All student organizations planning to travel must file an AS 292 Request for Authorization to Travel, which must be signed by their faculty/staff advisor. The form is available on the Accounts Payable and Travel website located at http://www.fas.lsu.edu/acctservices/forms/travel/AS292.pdf. Student Trip Travel Insurance must be purchased prior to travel for each student through the Office of Risk Management. Forms can be found at https://sites01.lsu.edu/wp/riskmgmt. Student Trip Travel Insurance provides coverage for a student while attending or participating in a university supervised and sponsored activity or function. The Student Trip Travel Insurance
LSU Risk Management provides Student Trip Travel Insurance coverage for students attending or participating in a University supervised and sponsored activity or function. The Student Trip Travel Insurance Policy is a minimal medical policy for eligible charges not in excess of usual and customary charges for accidents only and does not cover sickness. Student Trip Travel Insurance is currently 10¢ per student per day.

To purchase Student Trip Travel Insurance, the Trip Travel Request Form and the List of Students must be filled out and sent to the LSU Office of Risk Management along with an Internal Transaction ("IT") prior to departure of the trip. Payment must be made by an "IT", cash is not accepted. If you have cash, it must be deposited into a departmental account (via DT). When completing an "IT", the computer automatically enters "ITCLEARNG" on line 1 (do not change this). Your departmental account number must be entered on line 2. All trips must be supervised. If traveling in a University owned vehicle, rented or leased, the vehicle must be driven by an LSU employee and is covered under university insurance.

If students are traveling in their personally owned automobiles, then the Certificate of Privately Owned Automobiles must also be completed. This form shall remain on file at the department level. The original may be requested if a claim is filed.

Please contact LSU Risk Management at (225) 578-3297, in the event an accident has occurred and a claim needs to be filed. For more information or to download the forms, please go to the website located at http://appl003.lsu.edu/pubsafety/riskmgt.nsf/index.

**Film & Movie Screenings**

Student organizations who are interested in showing films or movies at meetings and events must comply with the Federal Copyright Act (Title 17 of the U.S. Code), which governs how copyrighted materials, such as movies, may be used. Neither the rental nor the purchase of a home video copy of a movie carries with it the right to show the movie outside the home. This legal requirement applies regardless of whether an admission fee is charged, whether the institution or organization is commercial or non-profit, or whether a federal or state agency is involved. To show a video on campus, your organization must purchase a “public performance” license from one of the three companies listed below:

<table>
<thead>
<tr>
<th>Company</th>
<th>Website</th>
<th>Phone</th>
</tr>
</thead>
<tbody>
<tr>
<td>Criterion Pictures</td>
<td><a href="http://www.criterionpicusa.com">http://www.criterionpicusa.com</a></td>

Fees are determined by such factors as the number of times a particular movie will be shown, anticipated audience size, location, etc. While fees vary, they are generally inexpensive for smaller audiences. Fees may be waived if a request is granted from the company responsible for producing the film or movie. For more information on the law on “Public Performances,” visit [http://www.mpaa.org/contentprotection/public-performance-law](http://www.mpaa.org/contentprotection/public-performance-law) (Motion Picture Association of America, 2010).
