Discover Day 2015 is here!

Finally our much-anticipated yearly event, Discover Day, will be taking place this Thursday, March 19!!

Location: Cotillion Ballroom, LSU Student Union

Time: 10am – 1pm (open to the public)
  1:30pm – 3:30pm (student presentations)

About Discover Day

- A yearly event that aims to promote undergraduate research, learning and creative activity in all programs and colleges
- Offers students a platform to present their work, interact with peers and faculty in similar research fields
- Creates a unique environment for the celebration and promotion of undergraduate student achievement
- Aims to advance a culture of undergraduate research activity at LSU

Join us!

Thursday, March 19

Come along to the Cotillion Ballroom at the Student Union on Thursday, 19, and view posters and presentations by fellow students; see what discoveries they are making in their various fields; network with other students and faculty.

Refreshments and giveaways for all attendees!

You can also visit our website to see a list of summer research opportunities & internships.
