Federal Financial Aid is determined by ‘Term’ instead of by University modules. This structure is more similar to a regular fall, spring and summer semester with the term being defined as two consecutive modules for the financial aid year beginning on July 1st each year. The combined hours of the two modules is one factor in determining a student’s financial aid eligibility.

**Term 1**: The two modules from July 6, 2015 through October 16, 2015.
**Term 2**: The two modules from October 26, 2015 through February 26, 2016.
**Term 3**: The two modules from March 07, 2016 through June 24, 2016.

You do not need to attend both modules to qualify for financial aid because the qualification is based on total combined hours.

Check the enrollment status for all modules/terms you are requesting financial aid and will attend LSU:

By signing this statement, I agree to the following:

- A representative from the Office of Enrollment Management has informed me that federal loans usually offer greater benefits to students than alternative student loan programs, such as lower interest rates and student friendly repayment plans.

- If I wish to be considered for federal financial aid at a later time during this academic year, it is my responsibility to contact the Office of Enrollment Management to discuss the steps necessary to complete the federal financial aid process and to discuss how this may affect my account.
