Department: School of Music
College: Music and Dramatic Arts
Name of Curriculum/Major: Bachelor of Music in Music
Type of Degree: BM

Date: 12/16/13

Has this change been discussed with and approved by all departments/colleges affected? Yes (X) No ( ) N/A ( )

ATTACH JUSTIFICATION for all actions: Use separate sheet.
ATTACH RESPONSE from any departments affected [i.e. any department whose course(s) are to be added.]

Bachelor of Music change justification

The School of Music has been satisfying the General Education Arts requirement through a sophomore level Music History course. As this practice has been negated by the general education committee, room must be made in the curriculum for a non-music general education arts course. This is being done through a variety of mechanisms among the various concentrations.
When a department adds a new curriculum or makes changes in an existing one, a Form D Addendum must also be submitted. This form is simply a list of those courses in the curriculum that satisfy the General Education requirement. Include course rubric, number, and credit hours when curricula differ from the default values. Indicate the curriculum semester for all General Education courses.
