

# LSU | Residential Life

Future Resident,

We are just as excited as you are about upcoming room selection! We recently sent a postcard to your home address and an email to your LSU email address with information about the date and time you will select your on-campus home.

Since that information has gone out, we received great feedback from you that the 1 p.m. start time wasn't conducive to your high school schedules.

**To make the room selection process easier for you and your schedule, we've adjusted the start time from 1 p.m. to 4 p.m. (CST) each day.**

**The order in which you will gain access to select your room has not changed. You will still gain access to room selection on your day listed on the "Application Status" page of the housing portal, based on the date you completed your housing application. The only change is rather than starting at 1 p.m., we'll start at 4 p.m.**

Follow the steps in the [Room Selection Guide Book](#) for details on viewing your room selection time slot and room selection.

On room selection days, staff will be available until 6 p.m., and any calls or emails not responded to each day will be returned during the next business day.

Thank you for the feedback, and we hope this small change makes room selection better for you. If you have any questions or additional feedback, please reach out to our team at [reslife@lsu.edu](mailto:reslife@lsu.edu).

We can't wait to see you make campus your LSU home.
