Department of Residential Life

Dear Student:

Looking for a job for the summer?

We are currently looking for technical, motivated, and detail oriented undergraduate students to work in the Residential Life Information and Security Services Department for the upcoming summer semester and possibly into the upcoming school year and beyond.

Job Position:
Student Computer Technician for the Department of Residential Life

Application Dates:
April 2\textsuperscript{nd} - May 8\textsuperscript{th} 2017

Initial qualifications:
- Be in good academic, financial, and judicial standing with the University
- Minimum GPA of 2.0
- Must have finished the current semester with at least 12 credit hours and be enrolled at LSU as a full time student for the upcoming fall semester

Minimal job Requirements:
- Be familiar with PC hardware (setup and troubleshooting)
- Be familiar with Microsoft Windows Operating Systems (Windows 7 and 10) setup and troubleshooting.
- Some experience with providing customer service; in person and over the phone support (can be non-technical)
- Experience with the Mac operating system is not required but a plus.

Benefits:
Receive experience and training that will prepare you for a career in the field of information technology. Work on campus with other undergraduates in a productive group environment.

Entry level experience pay is $8.25/hour.
(your initial starting pay can be higher based on technical /customer service experience).

To apply and for more information:
Please email resumes to reslifehelp@lsu.edu by May 8\textsuperscript{th} 2017

We look forward to hearing from you,

Residential Life Information and Security Services
